### **The Dining Room**

The dining room is a large room with panelling, ornate fireplace and lovely chandelier. It is suitable for ceremonies for up to 30 guests.

### **The Hall**

Adjacent to the dining room, the Hall has a lovely staircase for the bride to walk down. This is suitable for smaller ceremonies and can hold 20 guests.

### **The Orangery**

The Orangery is a large, light and airy room with two glass atriums and spectacular views over the Northumbrian countryside. The Orangery leads out onto split level patios with stairs down to the grounds. The Orangery can be used for larger weddings and is licensed for weddings of up to 100 guests. After the civil ceremony, celebratory drinks can be taken in the adjacent reception rooms and on the patios. We can accommodate up to 80 guests for a formal sit down wedding breakfast or 100 guests for an informal wedding breakfast.

If you require a marquee to hold a larger wedding breakfast then we have a site adjacent to the Hall where the marquee can be erected.

### **Use of the Garden**

Drinks receptions can be held in the formal walled garden.

The Hall is a no smoking establishment. If you wish to smoke, there are designated areas outside and cigarette bins are provided.

**Confetti**

Biodegradable confetti is permitted within the Hall.

**Licensing Hours**

Licensing hours for entertainment and the bar are normally until midnight on a Saturday. If you wish a bar to be run later than midnight we can arrange this, however there will be an additional charge for staffing costs.

Licensed bar facilities are provided for groups of over 28 guests. Please note that we adopt a Challenge 21 policy to prevent under age drinking. If guests are over 18 years but luckily look under 21 years they will be asked to provide valid photographic identification with their date of birth to any bar staff upon request. Failure to provide this evidence will result in the guest being declined to be served alcohol.

**The Wedding Wood**

We invite couples to choose a tree from our Tree Menu we have and plant it in our wedding wood as a lasting reminder of your stay at the Hall. A local company, Slate and Nature will provide you with a recycled slate heart which you can attach to your tree with your names and date of marriage.
