

## WOOD YOU

Woodhill is an award-winning exclusive-use wedding estate, specialising in bespoke wedding celebrations spanning two nights/three days.

Purchased by owners Chris and Corrinne Knight in 1998, the development of our estate from a family home into a wedding venue with the 'wow factor' has been a decade long labour of love and now characterises the perfect modern day narrative for the most unique love stories and unions. At the heart of 100 acres of Northumbrian countryside lies a meandering estate that will take you on a sensory journey - Woodhill is the place to gather your people and create unrivalled seismic celebrations, spanning one, two and three days.

"I fell in love with the tree-lined 1km driveway into the estate and decided at the end of this tree-lined driveway there really ought to be something rather magical"

## SOMETHING BLUE TO SAY I DO

The Olive House development was inspired by Corrinne's Greek heritage and love of travelling.

A Santorini-inspired space for spectacular vows and imagery that immediately conjures images of the mediterranean, boasting whitewashed interiors, stone flags and a magnificent oversized fireplace at the end of the aisle. A touch of luxe marries the simplicity with huge floral chandeliers to frame your big day entrance behind our signature blue hue chapel doors. A dreamy and tranquil ambience with dual aspect views of the stunning countryside and the River Rede and a blank canvas for you to style as you wish.

Of course there are many spaces within our estate of love to marry, including our woodland, The Elephant Courtyard and our panoramic terraces, all dependant on time of year and individual requirements. Our expert team are here to assist and provide inspiration on each bespoke wedding journey.

## THAT ALFRESCO FEELING

Newly developed and extended in 2024, our Orangery is the place for guests to enjoy a blissful wedding breakfast, catering for up to 110 guests. Boasting windows that open to 90 degrees, guests can dine with an alfresco feeling. The all-white aesthetic exudes a remarkable brightness and this modern space lends itself beautifully to any colour palette or theme. With double doors that spill onto the terrace boasting incredible views of the Northumbrian countryside, this is the perfect spot for after dinner mingling.

## MARRIAGE MENUS

We are devout foodies at Woodhill and work meticulously with our Executive Head Chef, Paul Amer to develop our palate pleasers. Ingredients are sourced locally with a plot-to plate ethos and are designed to indulge. From grazing stations to superb three-course feasts, gourmet dining is at the very core weddings at Woodhill. Our range of canapés are equally pleasing and built around your taste and preferences, the perfect prequel to our dining experience.

Consider our domain your own and configure and utilise our many spaces as you so wish.

Our Elephant Courtyard, at the heart of the estate provides a sun-drenched patio for Ibiza style partying (DJ can be added!) or a place for the family to gather pre or post ceremony for drinks. Think plush sofas, huge fireplace and remodelled customised Piaggio Ape for drink dispensing.

Other spaces for revelry and gatherings include the terrace and the secret bar. Tranquility and/or chatter can reign supreme in our infamous library boasting the longest chesterfield in Northumberland and alternatively, we have The Tropics room, a botanical beauty adorned with Christian La Croix wallpaper and classic wood panelling, a noteworthy spot for drinks and mingling.

Fancy a different continent? Our 'Out of Africa' styled breeze house with its thatched roof is a retreat of calm to rest the feet gaze out into our manicured wilderness. The love of animals and nature are evident throughout the estate and we warmly welcome your four-legged friends.

## TEEPEE PARTIES

Our 18th century walled garden with cool piazza plays host to our newly refurbished and decadent double hat teepee.

Bursting with rustic charm and full of possibilities, our teepees create a wonderful atmosphere both day and night. Holding 110 guests for a wedding breakfast and 150 for evening receptions, our fairy lit teepees guarantee an edgy alternative to give you the perfect party atmosphere so you can party as loud and as late as you like.

## BOUTIQUE BEDS

Adventurous and beautiful - our new suites and bedrooms for 2024 are designed as luxurious boudoirs for memorable stays.

Choose from sixteen plush retreats, including the new Woodland Suite with a woodland-facing balcony and four-poster bed, or opt for The Aegean Suite to be whisked away to Mediterranean shores with its moulded white interior and sky blue accents. The Carriage Room, off the main courtyard is a favourite as a bridal suite, with beautiful French—style interiors and free-standing bath; however Bessie's room boasting a full pre-wedding makeup station and insta-worthy styling is a hot favourite with the girls. Contemporary en-suites come as standard with all of our rooms, catering for a total of 36 guests and 4 children, across 18 bedrooms. Enjoy!

Woodhill's interiors reflect owner Corrinne's passion for travelling and are an eclectic nod to her journeys across the globe.
