THE TEPEE
DINING PLANS

THE TEPEE

Inside this document you will find out recommended table plans for guests dining in the tepees, with plans for both Rustic Round and a traditional Long Top Table.

We've clearly identified the tables and the order in which they'll be served which helps you create the perfect table plan for your day. We've also added the number of guests and size of each table so in terms of table stationary and decoration this will help with your planning.

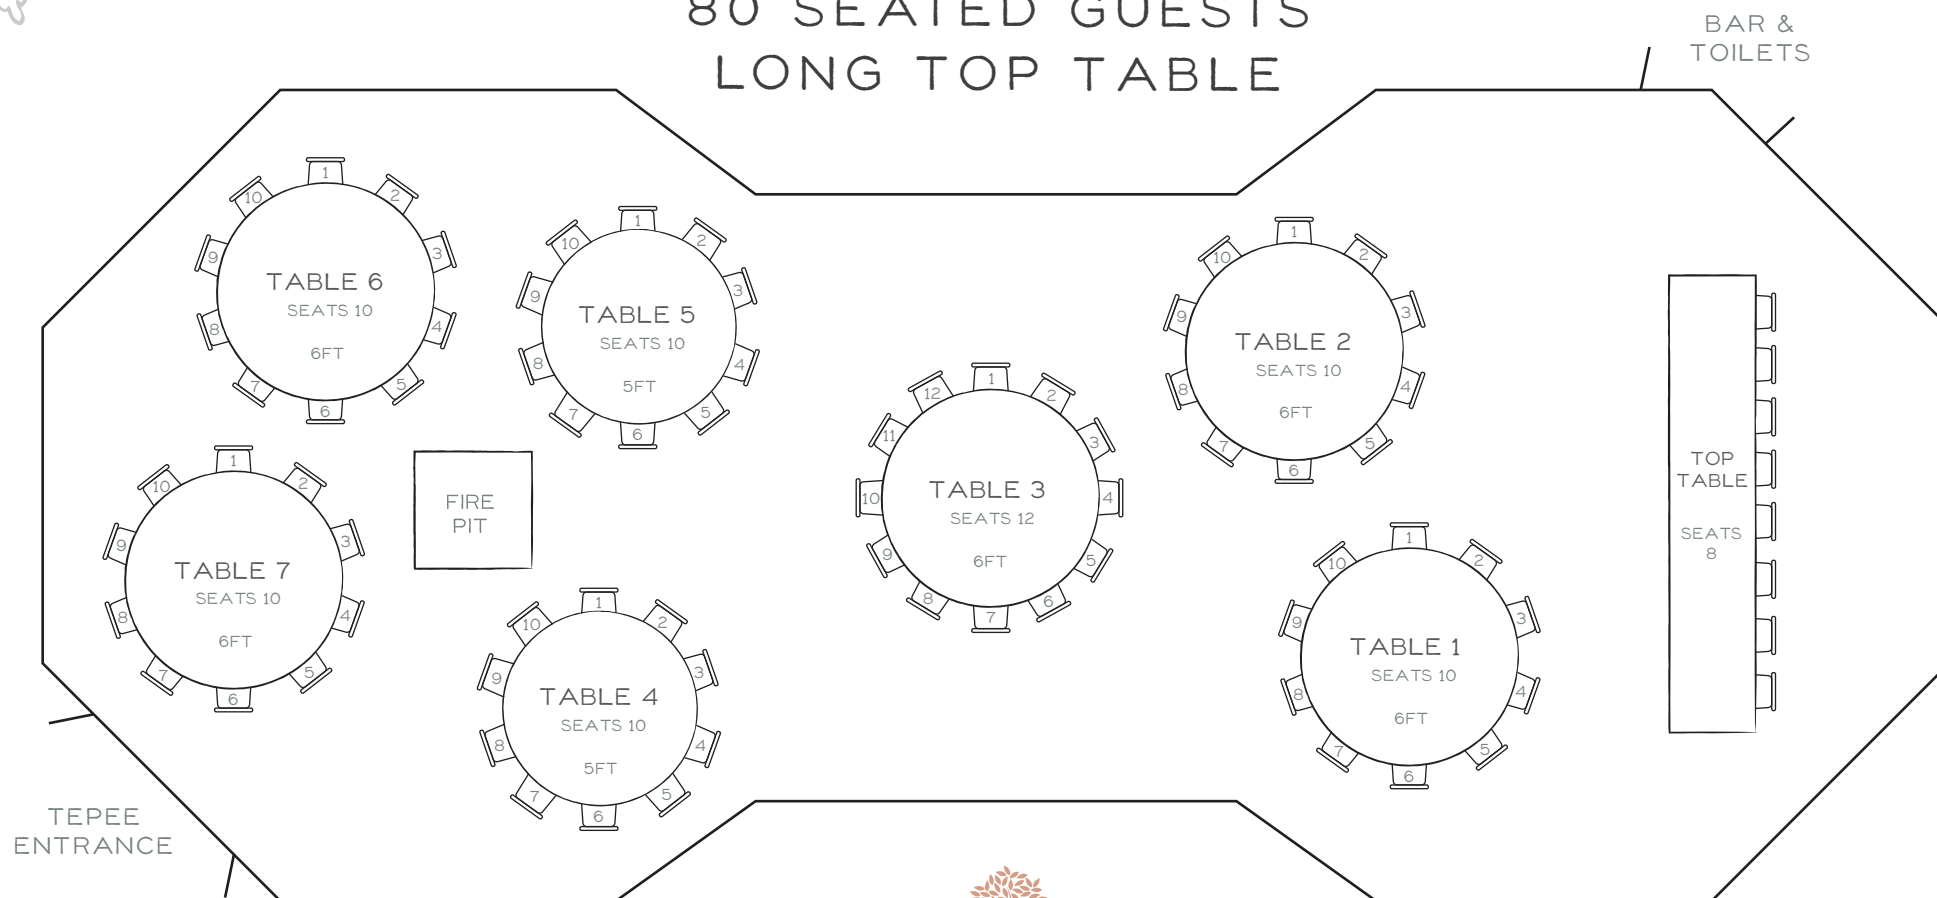

Please note the following:

- Long top tables hold a maximum of 8 guests and round tables hold a maximum of 10 to 12 guests depending on size.
- 5ft tables the maximum number of guests is 10 people and for 6ft the maximum number is 12 people inclusive of children in high chairs or guests in Wheelchairs.
- Please note for guests sitting next to slopped sides, head height may be restricted due to the nature of the Nordic structure.
